

How Well Are You Using Your Most Powerful Resources?

Get the best from your employees and yourself

There's more to a motivated, productive workforce than the dreaded evaluation form. Here are the simple steps you can take to ensure getting (and keeping) the best and leaving the rest. This is a quick look at the entire Performance Measurement Cycle. Give yourself an A, B, C, D in each category. If you want to improve, contact Lunell @Haughtstrategies.com

Do you have ways to ensure Performance Management fits into your system of

- Structure (Mission, Purpose, Organization Chart)
- Politics (Who has clout)
- Culture (How it really works)
- Human Resources (How the system affects individuals – motivation)
